Colours

Both extended indexes held upright close to the mouth makes repetitive alternate forward and backward movements as the tongue moves side to side.

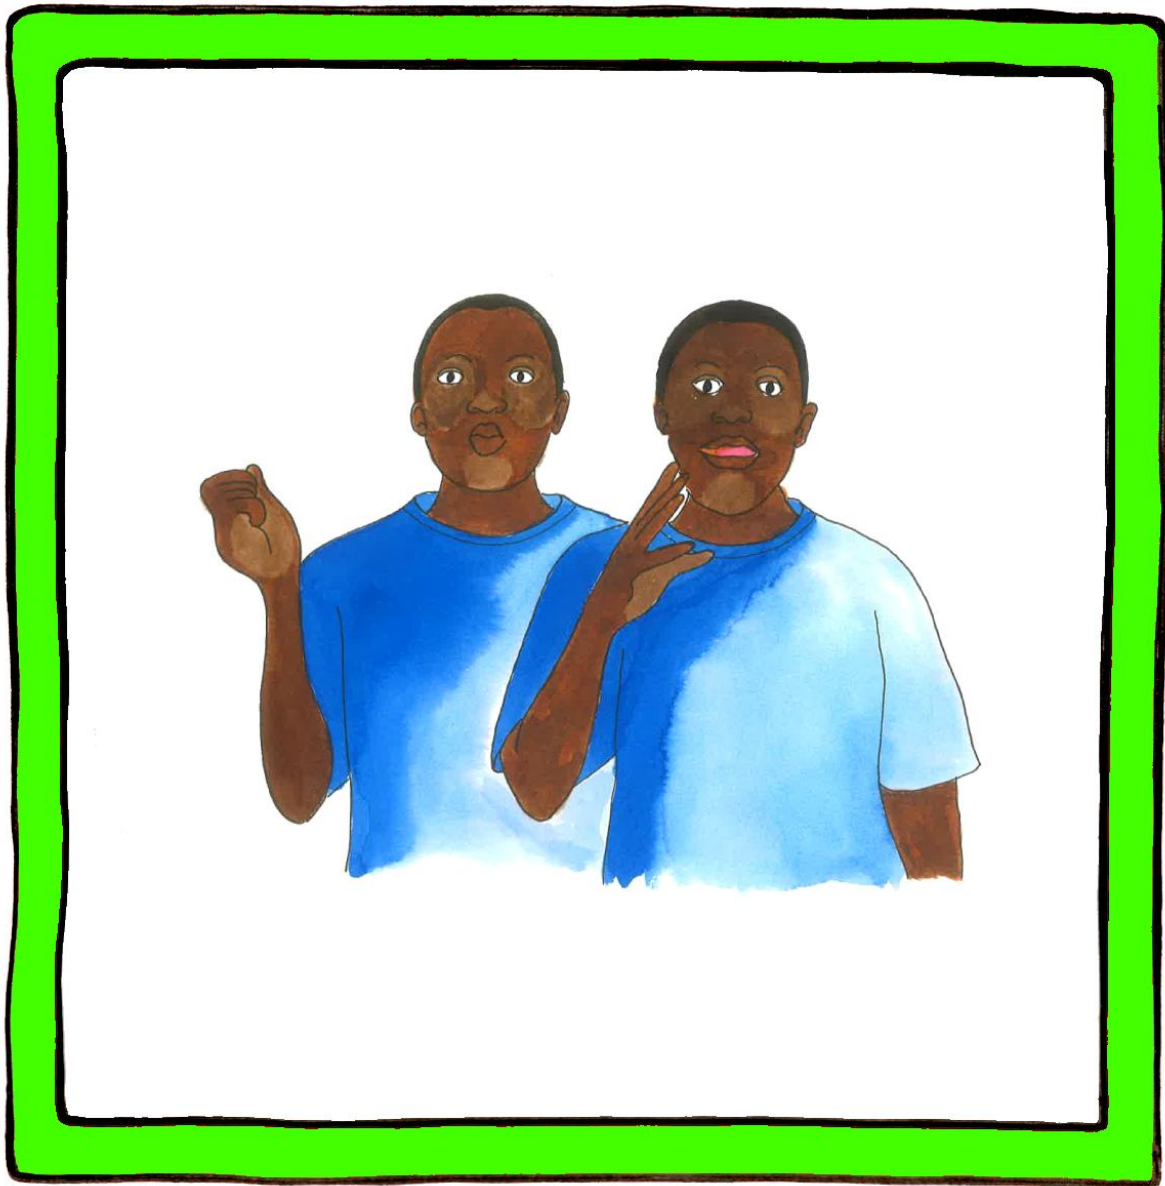

Red

Palm back extended index finger placed on the lower lip
brushes across towards right.

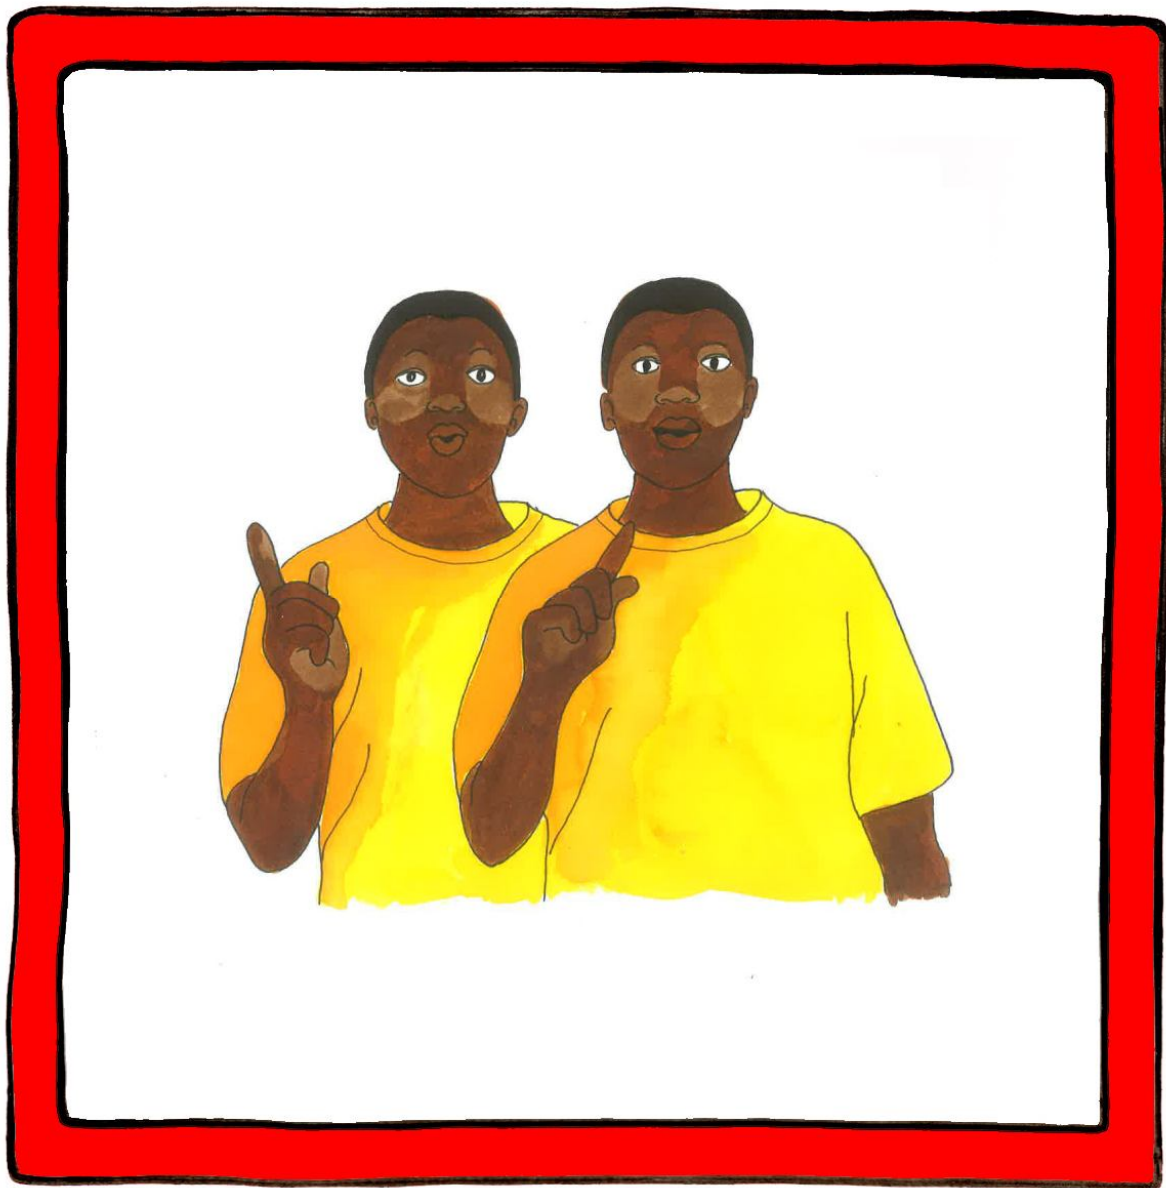

Yellow

Palms left 'O'-hand held up at the right side of the body, makes sharp short movements towards left as fingers spring open repeatedly.

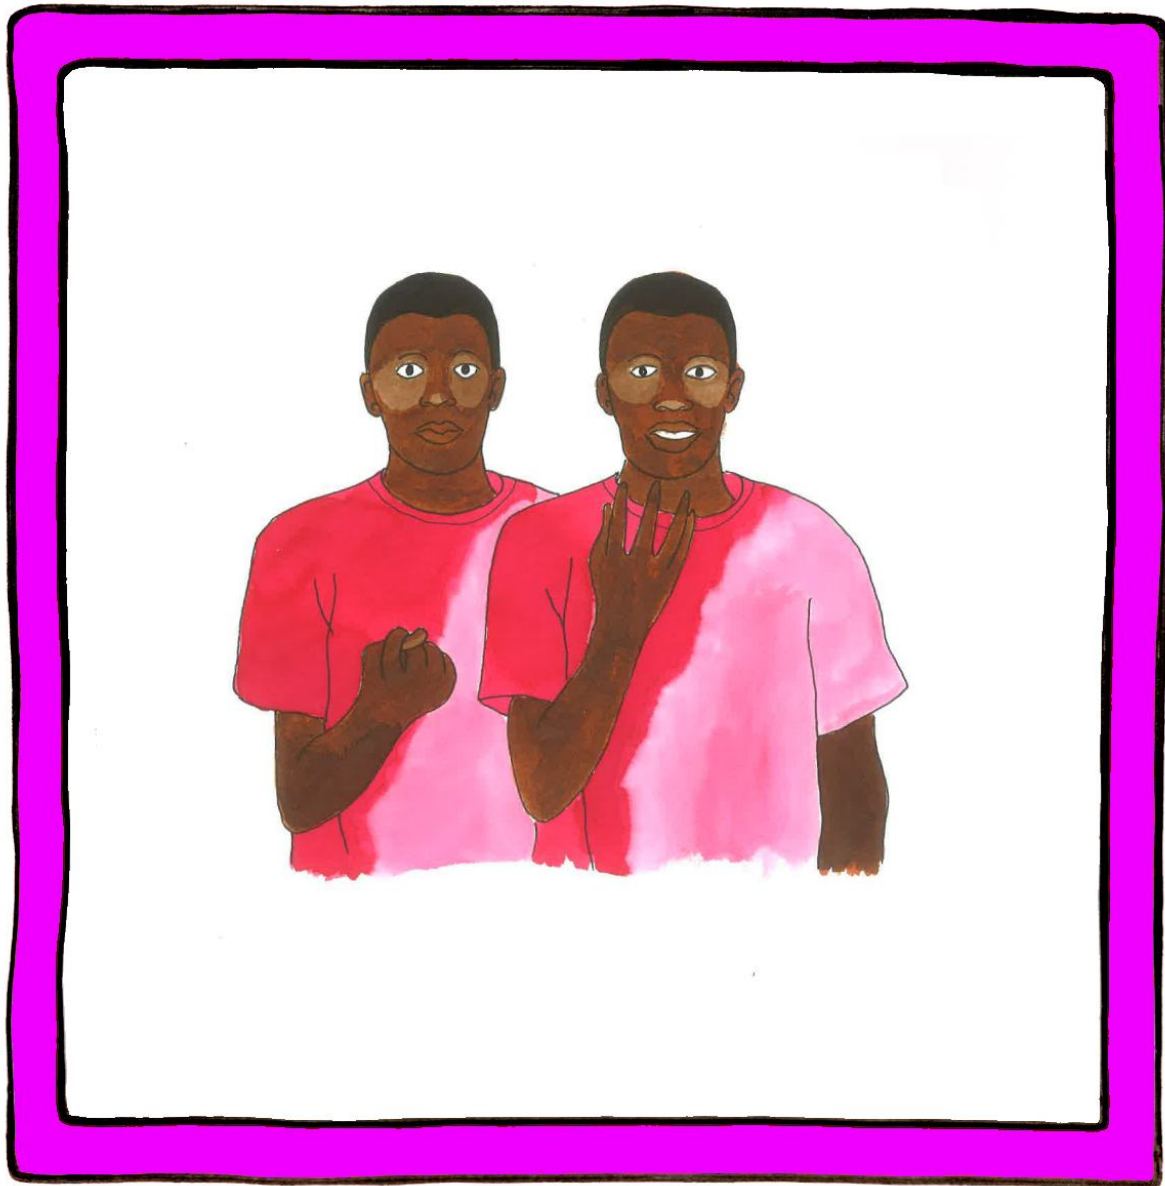

Blue

Extended index finger pointing up in front of the body makes short repeated side to side movements from the wrist accompanied with spoken mouth pattern; 'blu'.

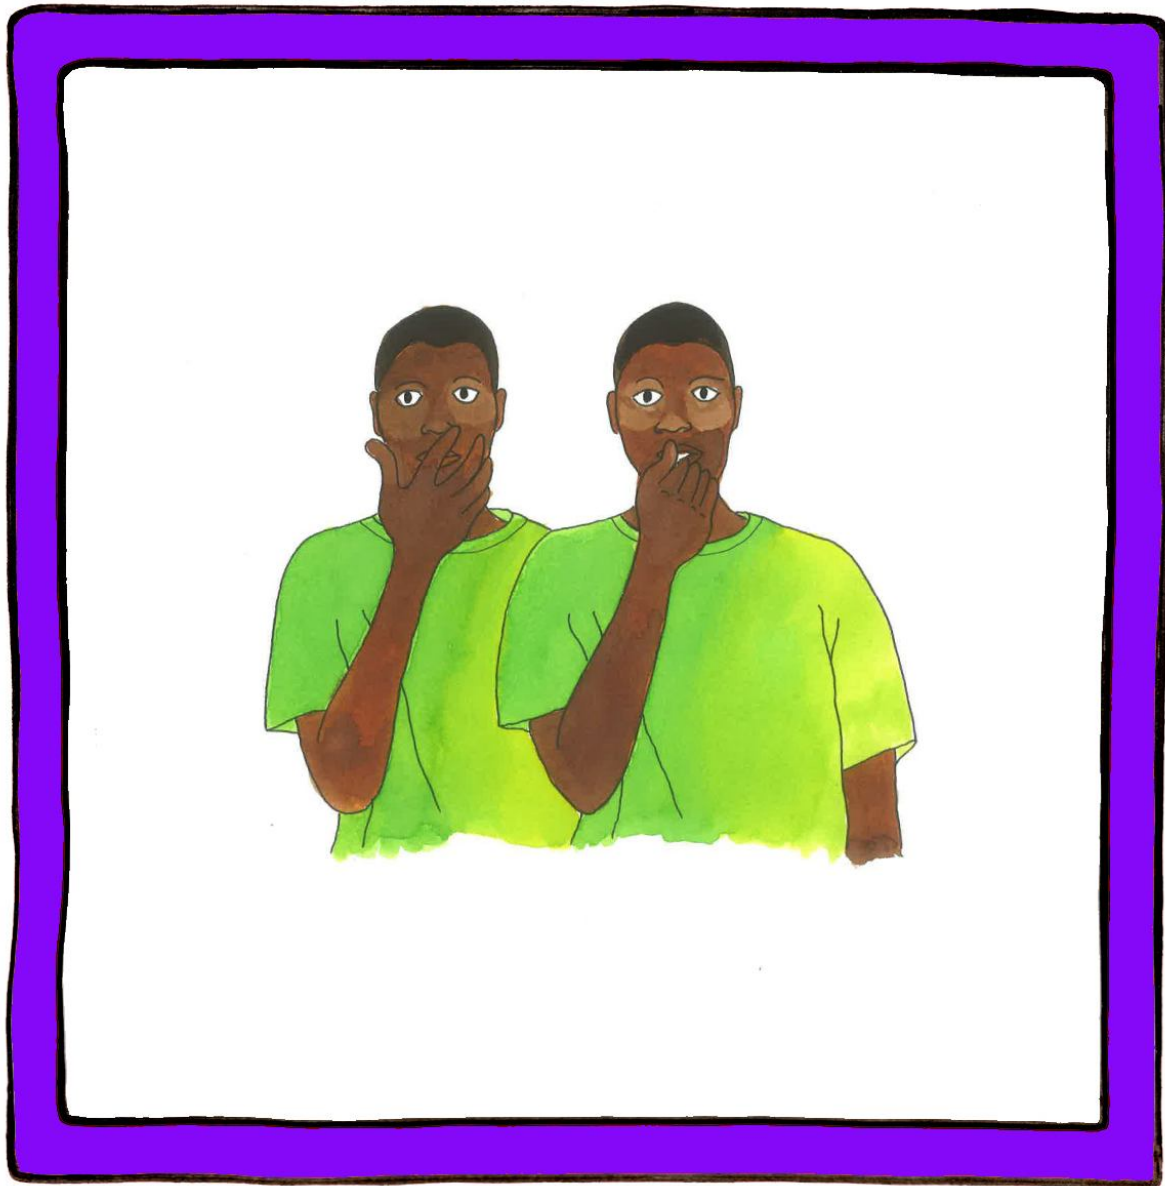

Green

Palm up 'O'-hand held in front of the body moves upwards as fingers spring open repeatedly.

Orange

Palm back closed hand held in front of the mouth bends down from the wrist repeatedly.

Purple

Palm down thumb contacting the middle knuckle of middle finger pointing down, makes repetitive short downward movements.

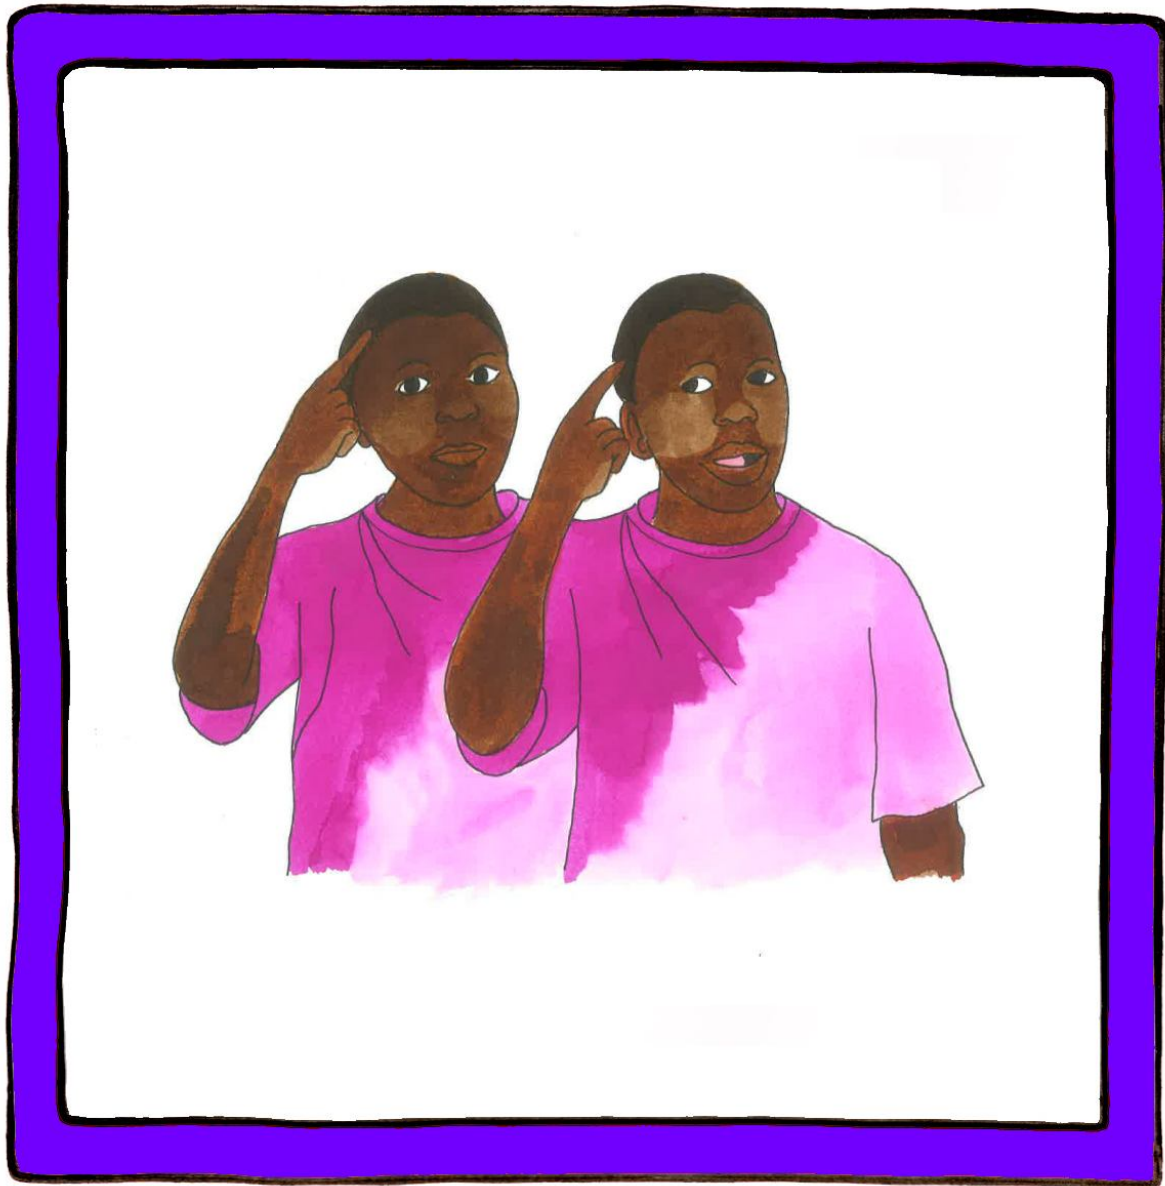

Brown

Extended index palm down rubs forback repetitively against the left palm. (Flat hand can be used on back of left hand) as one of the variations.

Black

Index finger held up on the right side of the head makes repetitive backward brushing movements along the hair accompanied with spoken mouth pattern; 'bla'.

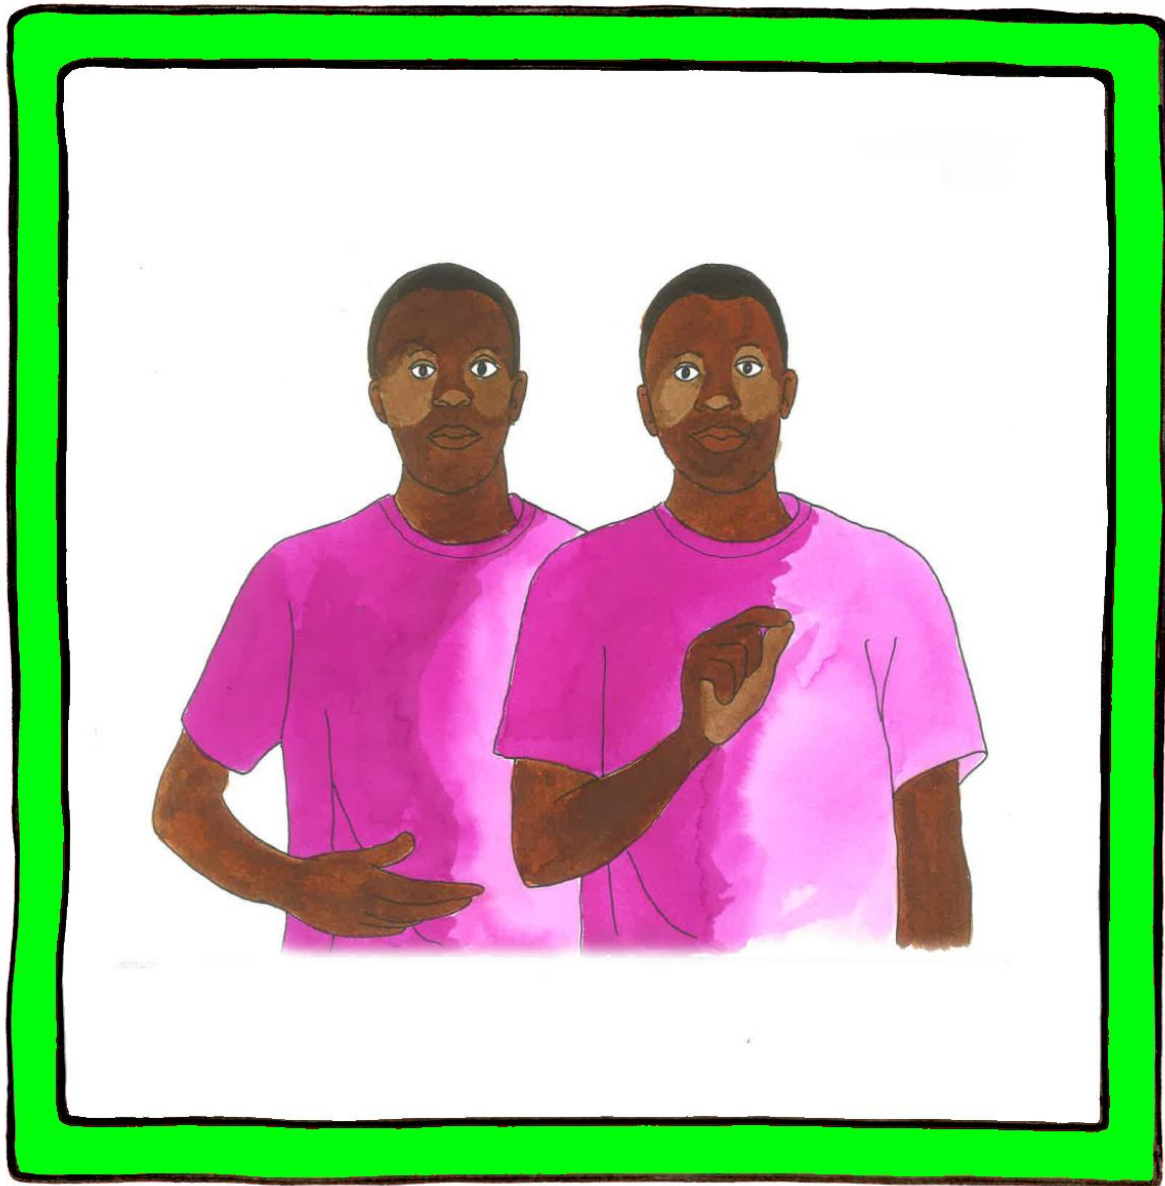

White

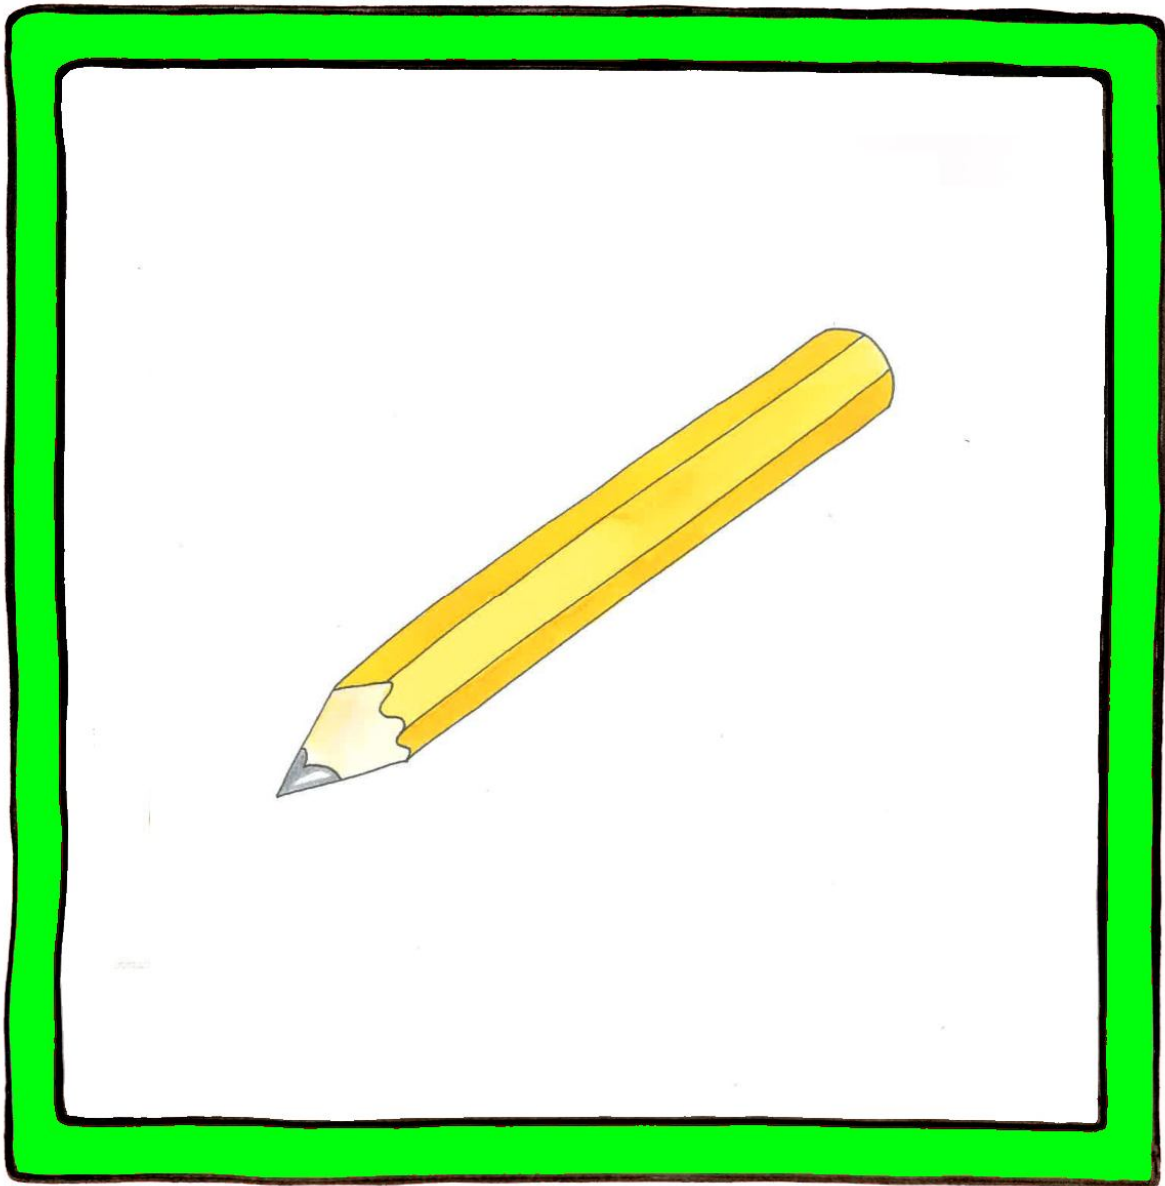

Bent index fingers taps against clenched teeth repeatedly.

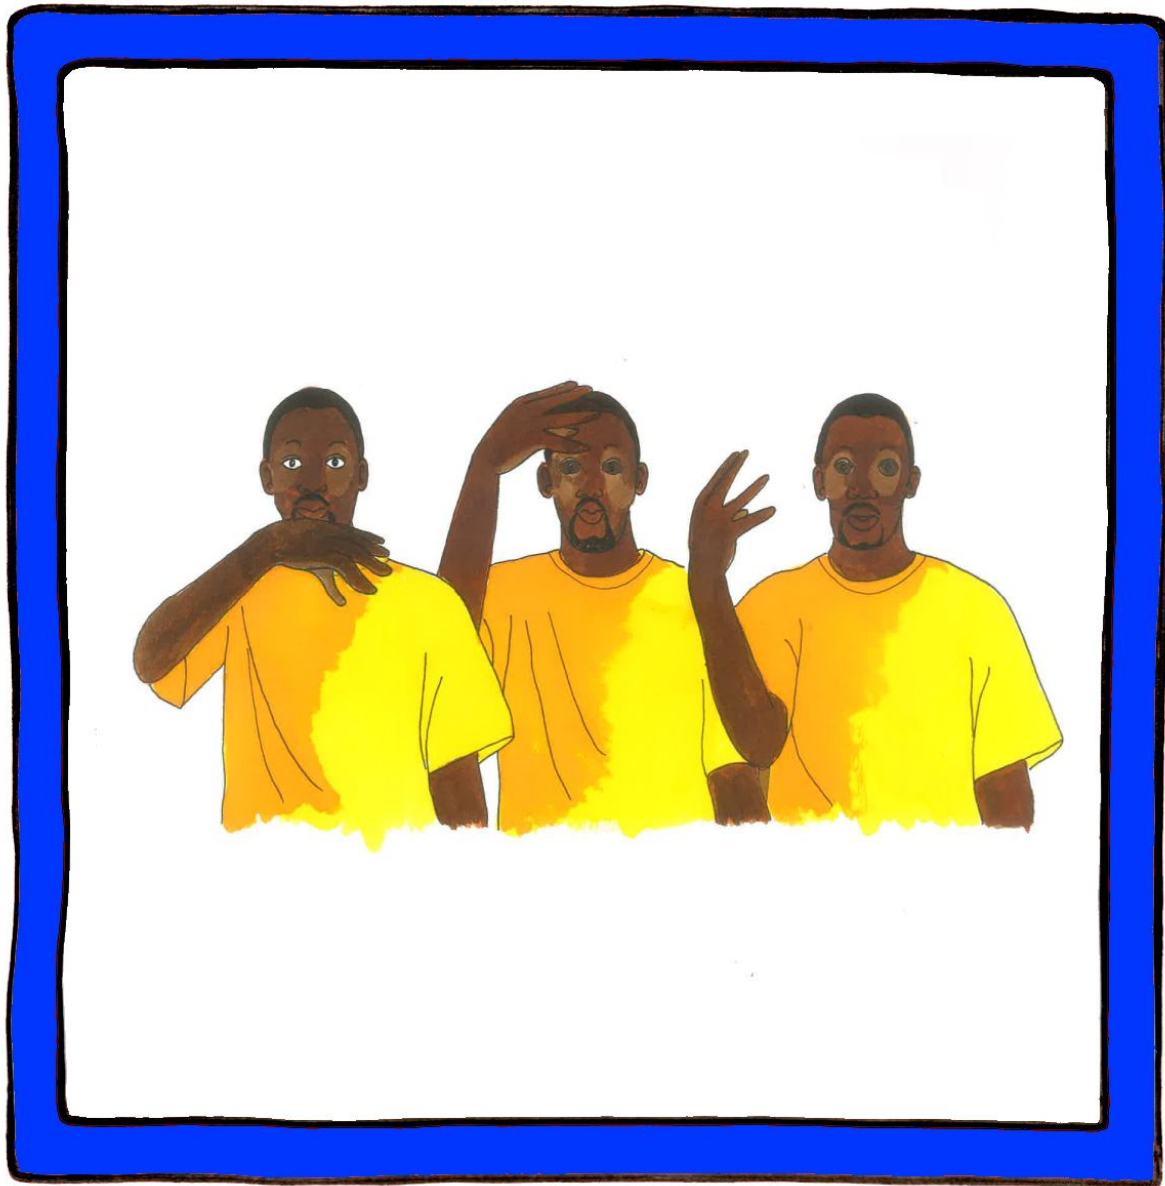

Pencil

Palm up flat hand makes a brushing contact movement across the abdomen than the closed-beak thumb and index finger moves right in zigzag movement as in act of writing.

Rainbow

Palm back spread index, middle, ring and pink fingers pointing left held in the neutral left space in front at shoulder level, arcs toward right.
