

I got my ticket for Uganda
twenty happy students on their way
and also three teachers by their side
and it's gonna be the journey of their life

When we're gone
When we're gone
Our parents gonna miss us when we're gone
They gonna miss us when we're gone
They gonna miss us all day long
Oh, they gonna miss us when we're gone

When we're here
When we're here
We're singing this song over here
We sing it with our friends
We sing it in different lands
Oh, were singing this song over here

This pretty land that's called Uganda
It's so nice to be right here
It's got mountains, It's got rivers
It's got sight to give you shivers
But we need to go back to our home

When we're gone
When we're gone
Our parents gonna miss us when we're gone
They gonna miss us when we're gone
They gonna miss us all day long
Oh, they gonna miss us when we're gone

When we're here
When we're here
We're singing this song over here
We sing it with our friends
We sing it in different lands
Oh, were singing this song over here

When we're gone
When we're gone
We're gonna think of you when we're gone
We're gonna miss you by your smile
We're gonna miss Uganda for a long a while
Oh, we're gonna miss it when we're gone.
